Press Release

We are very concerned with the academic time our students have missed during this very difficult winter. Our 2017-2018 school calendar includes 3 weather makeup days during Winter Break in February.

After much consideration, we have made the decision to makeup 3 of the 12 days our students have missed. The make-up dates are as follows:

Wednesday, February 21, 2018

Thursday, February 22, 2018

Friday, February 23, 2018

If we continue to miss school days for inclement weather or other unforeseen circumstances, we will have to consider the option to make up days during our 2018 Spring Break.

As always, our first priority is the safety and best interest of our students.

Sincerely,

A handwritten signature in cursive script that reads 'Dr. Carlton Wilson'.
